## Can you find something more convenient?

The following table compares the price of academic study in Czech Republic and Russia. Russian prices were acquired by inquiry between students of 21 universities of Russia and are an unweighted average only (the tuition fees varied between € 200-3000 per year).

Czech prices are related to state universities and advantages connected with them (state's support of accommodation and boarding).

Type of Costs	Russia	Czechia
accommodation, boarding, personal costs, 5 years	10 000 eur	7 000 eur
teaching aids, 5 years	900 eur	900 eur
tuition fees, 5 years	7 500 eur	0 eur
full preparation course */	0 eur	5 820 eur
<b>Total</b>	<b>18 400 eur</b>	<b>13 720 eur</b>

\*/ The most expensive of the courses offered by Czech Open Institute. Prices mentioned above include average living costs during the course. Other courses are cheaper.
